A. Description

The Qwest Core Connect Unlimited calling plan allows a business customer to complete intrastate direct dialed voice calls for a flat rated monthly fee.

B. Terms and Conditions

1. This plan is provisioned in conjunction with the interstate Qwest Core Connect Unlimited LD calling plan under which Qwest provides interstate long distance service. This plan is an add-on to the interstate *QWEST* Core Connect Unlimited LD calling plan that includes monthly recurring charges, and is available where billing and technical capability exists. All other terms, conditions and customer eligibility under this plan are specified in the QLDC Interstate/International Rates and Services Schedule #1.
2. The Qwest Core Connect Unlimited LD calling plan is only available to business customers subscribing to retail local exchange service from Qwest and requires provisioning of interstate/interLATA, intrastate/interLATA and intrastate/intraLATA service.
3. Certain restrictions apply. The Qwest Core Connect Unlimited calling plan may not be used in conjunction with the following: auto dialers, broadcast fax, long distance Internet access, call center applications including, but not limited to, auto dialers, PBX trunks, ground start line or trunks, ISDN services, foreign exchange services, public telephone services, public access smart-pay phones, analog to digital conversion digital PBX services, WATS services, PBX services, non-square electronic key telephone systems hybrid key telephone systems, predictive calling/dialing systems, automatic outbound dialing systems, any type of automatic call distribution system, or the functional equivalent of any such system listed above. Qwest Core Connect Unlimited calling plan applies only to domestic direct-dialed voice calls. Qwest Core Connect Unlimited Plan is available to business customers that have no more than a total of ten business lines per account. A Customer may not use this service for connection to data service or for any other use that does not involve a single path person-to-person conversation or voice message. The Customer may not use this service to complete multiple simultaneous outgoing calls through use of a LEC-provided feature that provides multiple paths over a single line. The Company may monitor customer's usage to ensure that customer's use of the Qwest Core Connect Unlimited calling plan is consistent with the applicable restrictions. If the Company determines the Customer has violated the terms and conditions of the service, the Customer's long distance service will be suspended.
4. If customer's usage exceeds 3,000 Minutes of Use in any month, customer shall be presumed to be in violation of the applicable restrictions.
